INTERNATIONAL BANKING FORUM : TREASURY 2018

# МЕЖДУНАРОДНЫЙ БАНКОВСКИЙ ФОРУМ КАЗНАЧЕЙСТВО 2018

+ 7 (495) 980 98 74; [www.nfa.ru](http://www.nfa.ru)

National Finance Association invites you to take part in International Banking Forum "TREASURY 2018", which will be held [on April 16](#) and [April 17, 2018](#) in Moscow. There are scheduled speeches of Bank of Russia representatives, reports by Heads of Treasury of core Russian banks and panel discussions with leading Russian and international experts.

Discussions and debates will reveal the most topical issues, which were added to the agenda of the Forum due to the conducted open survey. In accordance with the votes the following questions were taken to the top: Regulatory innovations of Bank of Russia, Assets and liabilities management in the conditions of low interest rates, Bank's of Russia Monetary policy 2018, Standards of Interest Rate Risk in the Banking Book (IRRBB) and requirements of Minimum capital requirements for market risk (FRTB), Treasury transactions on financial markets, Tactic management of assets and liabilities, Pricing of banking products, Automatisations of treasury functions and many other topics.
